

SLE Conference App

We are excited to announce that the mobile app for the 50th Annual meeting of the SLE is now available for download. The app provides you with the ability to

- View the entire meeting agenda
- Create your own schedule
- Be informed about changes, program updates etc.
- Network and setup meetings with other attendees
- Send and receive messages, contribute photos, participate in polls and more
- Save paper

How to download:

1) iOS & Android: Go to <http://sle2017.quickmobile.mobi/> to download the app.

Blackberry & Windows Phone: Please access the mobile website through <https://sle2017.quickmobileplatform.eu/>

2) Request your password: On the login screen please click on “First time user” and then enter your e-mail address you used for sle-registration. Your personal password will automatically be sent to your email-address.

3.) Your username is your e-mail address you used for sle-registration.

Looking forward to seeing you there!

You can also scan the following QR-Code for downloading:

If you have problems with the download please contact the appmaster:
